Principal's Message

Dear Parents and Carers,

We would like to thank the Millabah Performance group from the Hunter School of Performing Arts who visited our school as part of Reconciliation Week. Students were able to interact with the dancers and enjoyed listening to the music. A big thank you, to our teachers Louise and Frances for organising this event.

Each week a group of year 7 and 8 students visit our school from Belmont Christian College as part of a community service project. They participate in activities in the school each Friday spending time with, and supporting our students. We value the help these bright young students offer our school and we enjoy sharing our experience with them. Last week they were unable to attend the school so instead wrote letters of appreciation and support to our teachers that work with them. The teachers appreciated hearing their kind words and we would like to acknowledge their commitment to the program.

Enjoy the Long Weekend! School will resume as normal on Tuesday 10/06/14.

PBL is coming.

Voluntary Contributions

Voluntary Contributions are an important part of providing funds to purchase additional resources for the school, to cover the ongoing costs associated with running the school buses for excursions and to enhance the programs offered at NJS. Contributions are set at $15.00 per term or $60.00 can be paid in advance for the whole year.

Swimming pants

Swimming pants are $40 each and we only have limited supplies. You can purchase eenees from Theraquatics.com.au. Please note that it is a requirement that all students still wear swimmers over the swim nappies.

Student banking

Please send in bank books by Friday morning.
Respite

Please complete and return to school the respite information and permission note for each respite care required. Forms are available from the office or can be sent home upon request.

Canteen

Hillsborough School Canteen is open on Thursdays and Fridays.

Car Park Safety

Our school car park is a very busy area of a morning and afternoon. To ensure safety for all, the school operates a one way system through the car park. Entry is via the lower gate using the round-a-bout and Bypass access road leading into the school and exit is through the top gate that leads directly onto Hillsborough Road.

The speed limit in the car park is 10km/h and please leave the gates as you find them – if they are closed, please close them when entering or exiting the school.

Technology News

**Scene & Heard** is a Visual Scene Display communication aid on the iPad! Parents, teachers, therapists and helpers can import photos and allocate actions including audio messages, short videos, Widgit symbols and scene links to transition to a new scene. This makes the scene interactive! You can use it as an AAC (augmentative and alternative communication) tool for communicating basic needs or more complex ideas, or as an interactive and flexible learning tool; the choice is yours! Some ideas include: single message communication aid, step-by-step videos and instructions for completing daily tasks, use in the community, e.g. ordering coffee, teaching basic concepts such as cause/effect, video diaries, home/school liaison, social stories, interactive email messages to family/
