Dear Parents,

Welcome to the 2014 school year. To promote effective classroom programs and to use the resources of the school in the best possible manner we seek your support to include your child in the following programs. We seek your permission to have your child participate in the following programs throughout the 2014 school year.

- In school aquatic activities
- Digital and Photographic imaging and auditory recording in school and classroom programs
- Visits to local community resources
- Child Protection Program
- Web Page publication

Could you please indicate your consent to your child participating in these program areas by signing the relevant permission sections below and returning them to the school at the earliest opportunity. If you would like further information about these programs you should contact the school on 49853122.

Thank you for assisting the school to make an effective start to our educational programs.

Yours faithfully

Graham Finch
Principal
2014
